Declaration

I/We Understand:

- The service plan/Setup fee & modem I/we have selected
- That 123 Internet will Debit the nominated account above regularly until the end of the contract or termination of service in writing after the end of contract
- That we have to check the full terms and conditions locate at 123 Internet's website at www.123.net.au
- The fees and information outlined in the "Additional Information" on this page below
- That the ADSL installation could take up to 25 business days & the ADSL service provisioning is dependant on ADSL availability in your area and available ADSL ports in your exchange
- That this ADSL service is only usable at the premises stated in this application and is not transferable or movable
- That all the services ordered on this form must be paid for in advance before provisioning procedures are initiated & the first fees would include the selected setup fee and one month in advance
- We aim to provide with the best possible and most reliable service, but cannot be responsible for any loss of service regardless of the party at fault
- That the account will not be used for any illegal purposes, including obscene, abusive, fraudulent, threatening or otherwise unacceptable message or usage
- Plan changes or cancellations must be advised in writing minimum 14 days before the next billing cycle
- Cancellation fees will be charged in case of termination of a service before the contract ends
- In case the service was disconnected due to non-payment or breach of terms and conditions, cancellation charges will be applied to the account, and the client will incur all fees in reactivating the account
- That 123 Internet may send Me/Us marketing material relating to new products and services

I/We have read and understood 123 Internet's General Terms & Conditions and 123 Internet's Terms & Conditions (available on our website www.123.net.au) and agree to abide by them.

I/We also verify being over the age of 18

Additional Information

ADSL Modem

123 Internet may be able to supply ADSL modems other than specified on this form. The additional cost involved with supplying these modems are as follows:

4-Port ADSL Modem with Wireless access, Router & Firewall built-in is an additional \$179

4-Port ADSL Modem with Router & Firewall built-in is an additional \$99

1-Port ADSL Modem with Router & Firewall built-in is an additional \$69

Fees

123 Internet reserves the right to charge fees starting from \$11 and no more than \$55 to your account in case of:

The Credit card charge was unsuccessful

The direct debit from the nominated bank account is not successful

If the payment become 7 days overdue or more

If the service is cancelled before the end of the contract (This also applies to services transferred or being relocated)

Change of Plan/Re-Connection Fee

If the ADSL plan is changed to a plan with a different speed or from limited to unlimited, a \$55 fee will be applied. This fee applies whether the speed is being Upgraded/downgraded. If the ADSL service is disconnected there will be a reconnection fee of \$99 to reactivate the service. This fee applies whether the disconnection was requested by the customer or at the discretion of 123 Internet. This also applies if the service is being relocated to another telephone line either within the same premises or at a different address. If the service is being disconnected and reconnected before end of contract, a cancellation fee applies.
